POLOFF spoke on June 10 with Michael Keaveney, Desk Officer, Disarmament and Non-Proliferation Division, Department of Foreign Affairs (DFA). Keaveney stated that Ireland would definitely participate in the Global Initiative meeting in Spain, June 16-18. DFA is currently deliberating with the Department of Justice and the Department of Environment to ascertain who specifically from those two Departments will represent Ireland. If Ireland has not already registered for the conference, Keaveney said, it will do so as soon as the delegates are identified. He reaffirmed that DFA had received the Spanish invitation as well as all the relevant information for registration.
